## SECTION SF 30 BLOCK 14 CONTINUATION PAGE

## SUMMARY OF CHANGES

## SECTION SF 1449 - CONTINUATION SHEET

The following have been added by full text:

ADDITIONAL INFORMATION

1. In Factor H you request product samples. Do the samples need to be sent with the original proposal or will the contractor request that we send them by a specific date? **The product samples need to be delivered at the same time the written proposals are submitted.**
2. Also in Factor H you can request a demo of the products. Will we be given some lead time to get our personnel together, and to make travel arrangements, to present the demonstration?  
**If a demonstration of a vendor's products is requested, sufficient lead time will be given for arrangements to be made. No demonstration is desired until and unless one is requested by NSWC Carderock Division.**
3. Factor H - Evaluation Samples. Please advise the following information pertaining to Evaluation Samples:
  - What Agency(s) shall do the testing? **NSWC Carderock Division**
  - At what Location(s) and Facility(s) shall the testing take place? **NSWCCD West Bethesda**
  - Who will perform the tests? **NSWC Carderock Division**
4. Section 4.2.1 Lab Reader Systems: For the quantity of Labs Readers requested, how are these readers to be utilized, specifically:
  - Are all of the readers to be connected to the Dosimeter Management and Communications Software system - or - are there specific quantities to be used for the Software System and for other stand-alone readers (troubleshooting, diagnostics, etc)? **Yes, all of the Laboratory Readers will be connected to the Dosimeter Management and Communications Software system. The Laboratory Readers are intended to provide the interfacing dosimetry management and communications required for dosimeter programming, issue/access control, data and dose acquisition, analysis and management. There are no plans to specify quantities of laboratory readers for troubleshooting or diagnostics.**
  - Are the Lab Readers located within the same facility or base? Are they distributed over various locations (town/city/region)? **They will not be located at the same facility but rather at various locations.**
  - Is it possible to obtain a facility layout or chart, which identifies locations of the Lab Readers (this will provide us a visualization of how the system will be deployed and used)? **The exact locations of the readers has not been determined and no facility layout is available or will be**

**provided at this time . The readers will be located at several Navy facilities world-wide (e.g. Pearl Harbor Naval Shipyard, Puget Sound Naval Shipyard, Norfolk Naval Shipyard, Portsmouth Naval Shipyard etc.).**
